## A SAFE AND WELCOMING PARISH

The St. Joseph's Anglophone Mission in Paris has been entrusted to the Passionists of St. Patrick's province.

The Passionists and parishioners of St. Joseph's are committed to creating a safe, healthy and inclusive environment for all, particularly the children, young people and vulnerable adults with whom we work.

St. Joseph's cherishes each and every member of the parish community as well as visitors and friends who spend time with us. We will do everything possible to show Christian hospitality and extend a warm welcome to everyone who comes to our Church.

We want our parish to be a safe place for all, especially for children and vulnerable people. We want all the members of the parish to feel at home,

comfortable at all times and in all places associated with the parish.

We value and encourage the presence and active participation of children and young people in the activities that enhance their spiritual, physical, emotional and social development. The parish recognises the dignity and rights of all children and vulnerable adults and are committed to their support and safeguarding.

St. Joseph's undertakes to ensure through best practice to create a safe environment for children and young people and to ensure their protection from all forms of abuse.
