THANKSGIVING

Next Sunday, June 2, we will celebrate the Mass of Thanksgiving at 11.00 for all the blessings poured out on the children and teachers of CCD 2023/24. We also want to give thanks for the hard work and commitment of the children, parents and teachers who contribute so much to the vitality and enthusiasm of our parish.

After the Mass, we invite parents to register their children for the 2024/'25 CCD programme. Early registration helps us to plan the classes and to appoint the teachers and assistants so that classes can begin on time in early September.

From May 31 it will be possible to register your children on line at www.saintjosephs.fr

Thanks also to the CCD co-ordinators led by Liz de Haas who do a magnificent job finding teachers and assistants, organising the calendar, allocating spaces, doing the forward planning etc..

On your behalf, I want to express a special word of thanks to the parish secretary Mrs. Roselyne de Rozières for the enormous amount of work

she does in the background with the registration of the children, the formation of the classes, the preparations for the sacraments, preparing and printing leaflets, and many other essential things. Simply put, CCD could not run without her constant oversight.

We give thanks to God for CCD, a wonderful blessing to our parish.
