## KEEPING OUR CHILDREN SAFE

We are a Church of sinners who plead every day for God's mercy and help. We share the sadness and disappointment of everyone at the revelations of abuse perpetrated by Abbe Pierre, Jean Vanier and others. We pray for their victims and ask the Lord to preserve his Church from every evil.

We at St. Joseph's are determined to redouble our efforts to make our Church a safe place for all. We cherish each and every member of the parish community as well as visitors and friends who spend time with us. We will do everything possible to show Christian hospitality and extend a warm welcome to everyone who comes to our Church.

We want our parish to be a safe place for all, especially for children and vulnerable people. We want all the members of the parish to feel at home and comfortable at all times and in all places associated with the parish.

We value and encourage the presence and active participation of children and young people in the activities that enhance their spiritual, physical, emotional and social development. The parish recognises the dignity and rights of all children and vulnerable adults and we are committed to their support and safeguarding.

We ask everyone to unite in a common purpose as St. Joseph's undertakes to ensure through best practice to create a safe environment for children and young people and to ensure their protection from all forms of abuse and harm.
