### **WELCOME TO ST. JOSEPH'S PARIS**

Every September we are blessed with the arrival of new members to our parish and this year is no exception. I want to take this opportunity of extending a warm welcome to all of you and to tell you something about our parish.

St. Joseph's anglophone parish serves the diaspora of English speaking Catholics in the Paris area. The goal of the parish is to build a community of joyful disciples of Jesus who worship God, support and care for each other, share the joy of their faith with others, and serve our poor and needy brothers and sisters. This is how we play our part in transforming the world into the Kingdom of God.

Our parishioners come from many countries, professions and backgrounds. The human and spiritual needs of the members also differ greatly. Our desire is to strengthen the faith of the members and to respond to their real needs in a way that enables each one to grow in his/her Christian life and commitment.

We strive to make St. Joseph's a warm and welcoming community for all. Many also find it a place of refuge and a source of support, comfort and consolation when life far from home is difficult.

We have many groups and activities that provide opportunities to be more active in the life of the parish, with different ministries and roles in the liturgy, teaching the children, welcoming visitors, helping the poor etc. You will find more information about these groups on our website [www.saintjosephs.fr](http://www.saintjosephs.fr)

For now, let me assure you that all are welcome, our doors and hearts are open, and we look forward to getting to know you all.
