## ENRICH YOUR LIFE!

Today I want to invite you to discover a wonderful resource that will refresh and enrich your life. I am referring to the small, well stocked parish library. You will find recent and relevant reading material to help deepen your faith, to inform you about the Church, help you to explore important contemporary topics, women's issues, Christian ethics, the lives of the saints, prayer and spirituality, recent Popes and much more.

Some people say that reading books has gone out of fashion. It certainly hasn't gone out of fashion for parents and teachers who want to instruct, guide, and help their children; it hasn't gone

out of fashion for Christians who want to explain their faith and answer the questions and comments of their often critical colleagues and friends.

Our small library has been updated and re-organised by Tom Heneghan and Clarence Chimon. They did a wonderful job. The library is located in the Church lobby inside the glass doors. You are welcome to browse and select books on Sunday mornings from after the 9.30 mass. Enjoy!
