WELCOME POPE LEO

We thank God for the election of our new Pope Leo XIV. May God bless and guide him and the whole Church as we begin a new chapter in our history.

I think most of us were taken by surprise because Robert Prevost was not one of the many names circulating as "papabile". Once again, God surprised us and delighted us. Leo's warm smile and hopeful words instantly filled us with joy and confidence.

Leo is an Augustinian friar who spent much of his life as a missionary in Peru. As a recent member of the Roman Curia, he has been a close collaborator and admirer of Pope Francis. That was also evident in his few words that emphasised the need for peace, unity, dialogue and bridge building.

Leo is the first English speaking Pope, the first from the United States, and the first to be younger than me. Another Pope of many firsts.

For now, the best we can say is that we will keep Leo in our hearts and in our prayers. Above all, we pray that he will experience the powerful presence of the Holy Spirit as his constant guide and protector.
