TEENS FOR JESUS

Some teens from our parish are participating in the *Paris-Eglises-Tour* mini marathon today. We hope they have a wonderful time. There will also be a Bar-B-Q for teens in our garden on Pentecost Monday and we look forward to seeing many of our teens there. Thank to Gretchen Knoll and the Task Force for helping to organise these events and we hope there will be many more in the future.

The “teens” is a very important time in a young person’s life. It’s the time of transition from childhood to adulthood with all the joys and sorrows that involves. It’s a time of greater autonomy and responsibility; a time of new and deeper friendships; of new interests and passions. It’s also a time when teens discover Jesus and the Gospel in a new and more personal way.

St. Joseph’s wants to be with teens during this time of discovery and growth. We want to encourage the deepening of faith and the desire to express that faith in concrete forms of service and commitment. Beginning next year, we hope to offer a programme that will bring teens together to celebrate and deepen their faith, and to find new ways of expressing their commitment to Jesus in different forms of service.

This new programme is for those who have received the sacrament of confirmation and will include some further catechetical input, sports and recreational events, and reaching out to help people in need.

We are looking for adults to help with the programme. We also appeal to teens and parents to keep this new project in mind for next September.
