## THANKS FOR CCD

**This Sunday at 11.00 am we will celebrate Mass in thanksgiving for this  
year's CCD.** It is such a privilege and pleasure to see so many young boys  
and girls coming to St. Joseph's for their CCD classes. We are happy to  
help parents to educate their children in the faith. We express a special  
word of appreciation to the teachers and assistants who gave so much  
of themselves to this wonderful ministry. St. Joseph's is blessed to have  
so many generous volunteers without whom CCD would not be possible.

The young boys and girls are the heart of CCD. We are so proud of their  
readiness to give the time and the effort to learn more about Jesus and  
their faith. Last Sunday we had the celebration of Confirmation and later  
this month we will have First Holy Communion. It takes a lot of  
preparation, teaching, learning, praying and effort to arrive at these big  
days. Thanks to everyone who contributes to this wonderful program of  
Christian education.

Most of this year's CCD children have been registered for next year. On  
Sunday June 15 we ask parents who wish their children to begin CCD in  
September to register them after Mass. Thanks for your cooperation.
