INFORMATION DAY

Next Sunday, October 5th, is Information Day. All the ministries and groups active in the parish will share information and look for new members or volunteers.

St. Joseph's is blessed with a great variety of interest groups. There are groups that focus primarily on prayer and spirituality, there are study groups, and other groups that are action oriented. There is surely a group that meets your needs and interests. I encourage everyone to look around, chat with the representatives of the various groups, and find what's best for you.

As you are looking around, you might find that there is no group that corresponds to your interest, need or talent. If so,

I encourage you to come forward with your idea for a new grouping that could be exactly what other people are looking for. We are strongly in favour of new growth, change and development. New ideas and initiatives are always welcome!

The parish thrives on the contribution of volunteers and the many groups that serve the needs of the parish. We are grateful to all of you who convene and organise the activities of the various groups. It is the time, energy and enthusiasm you devote to these activities that makes St. Joseph's such a thriving and welcoming community. You are a blessing!
