WELCOME BACK

Welcome back to the normal routine of St. Joseph's. I hope everyone had a wonderful summer and enjoyed time together with family and friends.

Today we offer a special greeting to all the children, parents and teachers of CCD. Orientation Day is a lovely occasion for teachers and parents to chat, for classmates to meet for the first time, and to set out together to learn more about Jesus and to grow in faith. The whole parish is with you to offer support and encouragement.

We are always looking for volunteers to help with the various ministries. We welcome new readers, special ministers of the Eucharist, altar servers, ushers, cantors and choir members, Young Adults, new members for the Stewardship group etc.

As you know, I have been elected Provincial and will be moving to Dublin. A new Parish Priest will be here at the beginning of October. I will give you more details about this next week.

Thank you for your great support and kindness to me during my three years as Pastor. I will always remember my time here as one of the happiest in my life.
