#### **To Bear Witness About the Light**

Jesus Christ, radiant centre of glory,  
image of our God, the invisible Father,  
revealer of his eternal designs,  
prince of peace;  
father of the world to come...

For our sake he took the likeness of a slave,  
becoming flesh in the womb of the Virgin Mary,  
without intervention of man;

for our sake, wrapped in swaddling bands  
and laid in a manger

adored by the shepherds

and hymned by the angelic powers, who sang:

Glory to God in the heavens

and on earth peace and good to men.

Make us worthy, Lord, to celebrate and to conclude in peace the feast which magnifies the rising of your light, by avoiding empty words, working with justice,

fleeing from the passions and raising up the spirit above earthly goods.

Bless your Church, formed long ago

to be united with yourself through your life-giving blood.

Come to the aid of your faithful shepherds,  
of the priests and the teachers of your Gospel.

Bless your faithful whose only hope is in your mercy; Christian souls,  
the sick, those who are tormented in spirit and those who have asked us to pray for them.

Have pity, in your infinite clemency, and preserve us in fitness to receive the future, endless good things.

We celebrate your glorious nativity  
with the Father who sent you for our redemption,  
with the life-giving Spirit,  
now and for ever and through all ages. Amen
