Dear Brothers and Sisters, Dear Friends,

On 19 October, in the aftermath of the violence that had marked our city, I invited you to redouble your efforts in your prayers for our country. Today, our concerns are those of many of our fellow citizens, and with them the tensions that run through our society. I know how many of you are affected in your families, your work, your neighborhoods.
That is why I wish today to give this prayer a special attention and to entrust it to the Blessed Virgin Mary.

I ask that, in the parishes and other churches of Paris, a special intention for social peace in France be carried wherever the rosary is prayed publicly. I also ask that it be added to the intercessory prayer of Vespers celebrated publicly. And I invite each of those who pray the rosary or vespers personally to join in this intention.

We do not separate this prayer from the prayer we carry for the world. Archbishop Philippe Ballot of Metz is proposing a novena for peace in the world from the 3rd to 11th of November, through the intercession of the *Venerable Robert Schuman*. In Metz, on 28 September, Pope Leo XIV recalled how much the example of this man, who had known displaced borders and fratricidal wars, remains a light for today.

May our prayer make us, where we live, witnesses of reconciliation, hope and peace. And may Our Lady, Queen of Peace, watch over us, our country and our world.

I keep each and every one of you in my heart and in my prayers.

Happy All Saints' Day,

† Laurent Ulrich
Archbishop of Paris

WE NEED MORE VOLUNTEERS FOR TEA AND COFFEE SERVICE AFTER the 9.30 & 11am MASSES.
